GALATIANS 6:10

YOUR LEGACY GIFT

When we look back on 2020, we'll remember it as one of the most tumultuous years of the modern era. Because of the coronavirus pandemic, our families will remember it as a time when gathering for birthday parties or family dinners left many whom we care about absent from some of the most important days in our life. And it will be remembered as the year Zoom became a household verb.

Much of 2020 hasn't felt good. Do you know what does feel good?

One amazing way to feel good is to show your family how much they mean to you and reflect on all we have to be thankful for, including our families.

If 2020 has taught us anything, it's that the unexpected can and will happen. We find ourselves thinking "What will my legacy be?" Assure a meaningful legacy to your family today by creating or updating your will today. Let HOPE Rescue Mission help serve YOU.
